

ASM LOGISTICS OPENS OFFICE IN MAURITIUS

ASM Logistics (S) Pte Ltd, a member of the Santova Group, is proud to announce the strategic new office of ASM Global Logistics based in the **Republic of Mauritius**.

A Changing Industry

As companies continue seeking worldwide sourcing and distributing products in multiple markets, they require extensive sophisticated operational and logistics solutions across geographies.

ASM Logistics is at the forefront of driving change and has established a presence in Mauritius to extend ASM's existing reach and better meet the logistical needs of their clients.

ASM's Current Reach

ASM Logistics is currently headquartered in the global financial hub of Singapore and has representative offices in Thailand, Vietnam and Malaysia. As a proud member of the Santova Group, the company's own offices extend to Australia, Germany, Hong Kong, Netherlands, South Africa and the United Kingdom. Aside from own offices, ASM Logistics has established strong relationships with numerous strategic partners and agents globally.

The Opportunity in Mauritius

Mauritius is known for its competitive and developed economy, liberal economic and trade policy as well as minimal trade barriers and low customs duties. With own offices in Mauritius, ASM is now able to leverage off the various strategic initiatives such as the

Asia-Africa Growth Corridor (AAGC) and the 'Free and Open Indo-Pacific Strategy' which are aimed to improve connectivity between Asia and Africa and promote stability and prosperity of the region as a whole.

Benefits of a Mauritian based office:

- Gateway to Africa
- Minimal trade barriers
- Direct flights
- Rapid transit time
- Competitive pricing
- Access to a new market
- Greater level of control

- End-to-end track and trace
- Local know-how
- Established Import route from the Far East

Asia-Mauritius Trade Route

ASM Logistics is looking forward to building the Asia-Mauritius (Africa) trade route together with our clients and agents globally.
